

Dear LEAD Applicant,

I am excited for the opportunity to grow in the Lord together with you this summer in Redcloud's LEAD discipleship ministry. This application packet contains everything you will need to apply for LEAD. If at any point you need help or have any questions please feel free to get a hold of me any-time. I want to do anything I can for you to be able to be a part of our ministry this summer.

Redcloud's discipleship mission is to challenge people with the Gospel of Jesus Christ and to help each person grow deeper in their personal relationship with their Lord and Savior. We are committed in doing everything we can to provide answers to your questions, challenge you to live in obedience to God's Word and encourage you to be faithful throughout the year. You will not only have an opportunity to grow in your relationship with God but also have the tremendous responsibility to witness to the guests that come to Redcloud.

Junior Assistant Wranglers will play a vital role in the work that goes on at Camp Redcloud. JAWs will be doing most things that full time and seasonal wranglers do, including daily barn chores, assist in teaching horsemanship lessons, work and train horses, help maintain facilities, as well as mentor and minister to the horse campers. Junior Assistant Wranglers will serve with full time and seasonal wranglers, helping us fulfill our mission here at Camp Redcloud.

Each session is limited to the number of LEAD participants, so please get your application in soon. We are expecting to have a full summer, so we will give priority based on the order in which we receive the applications. Once we have received your application, we will notify you within a week. We look forward to hearing from you soon and having you here this summer.

In His Service,

Elizabeth Van Horn  
Equestrian Program Manager
