

Rock Camp "Climbathon"

What is Rock Camp?

Here is an opportunity for you to help send a young person you know to one of Redcloud's Rock Camps this summer! **Rock Camps** use Rock Climbing as a tool to help kids develop a true relationship with their Creator and Savior, Jesus Christ. Not only will kids spend time studying God's Word, but also enjoying His creation in the beautiful Rockies. Campers learn challenging outdoor rock-climbing skills as they ascend each climbing route. **We seek to take thrill-seekers and direct them to be strong, safe climbers who are pursuing the ultimate adventure: A life connected with Christ!**

Here's how it works:

1. The Rock Camp Climbathon is a way for kids to raise funds to be able to come to one of Redcloud's Rock Camps. **Each climber will log approximately 900-1600 vertical feet** of roped technical rock climbing during Rock Camp.
2. **You can sponsor a climber for 33 cents per vertical foot.** This money is applied directly to their camp tuition fee for the camp. After the full amount of tuition (\$365-\$595) has been paid, up to \$50 will be applied to the camper's spending money account. Any additional amount will be deposited to Redcloud's scholarship fund to help other campers who have a need.

How do I help?

Complete the form below and mail or fax it to Redcloud with your sponsorship payment. Then **please pray for the climber** during his or her time at Redcloud. Please pray for God to make Himself known to the climber while he or she is at Rock Camp, and that he or she will have a safe, challenging, and fun time at Redcloud.

Please Note: Unlike most donations given to Redcloud, funds given for the Climbathon are not tax-deductible since they benefit a single individual and are essentially a payment for tuition.
