Registration Info:

Redcloud's programs can fill quickly, so register early. A non-refundable deposit is required to register and reserve your space. The minimum deposit amount is part of the total program fee. The balance is due on arrival.

Once we have received your registration and deposit, we will mail a confirmation packet to you. This packet will include our health & release form, a list of what to bring, and directions to Redcloud.

Tuition Assistance:

We believe that no one should be prevented from coming to Redcloud because of a lack of finances. Our scholarship fund, made possible through the generosity of friends and supporters, is available to any individual or family with financial need. Applications for assistance need to be submitted at least 30 days before the start of the program to be considered. Call us for details or visit our website to download an application form.
